What is the Alpha Sigma Phi Difference?

Our Story.

It started with a vision. In the fall of 1995 a group of individuals can together with a one goal in mind: to create a fraternity unlike any other. One that is based on friendship, brotherhood, and comradery. Soon that fraternity, Alpha Sigma Phi, was born. For one year, nine members met in a tiny room in the Michigan League and built the foundation for the Theta Chapter of Alpha Sigma Phi.

The following year AΣΦ grew to twenty-four founding fathers, and the house was re-claimed. Soon, Alpha Sigma Phi was busy conquering Greek Week and planning numerous social events. By the time the 96-97 school year had ended, Alpha

Sigma Phi Theta Chapter became a colony.

This past semester we had our best rush yet, inducting 14 new members into our brotherhood. Our former president Brad Holoman was elected to the Presidency of the Inter-Fraternity Council (IFC) here at the Univ. of Michigan. We are continuing to become a stronger brotherhood as we are renovating our house, preparing for Greek Week 1998, and planning our busy social calendar. We are still establishing many traditions as well. We are helping one another, as brothers of Alpha Sigma Phi.

"It started with a vision... to create a fraternity unlike any other."

Today.

Coming back for another great semester, the brothers of Alpha Sigma Phi are planning to build to our already tremendous reputation. We are looking for outgoing students who have similar values

and goal and want to participate in the exciting fraternity life we have to offer. There are many pinnacle events coming up for Alpha Sigma Phi this semester. We are looking forward to participating and winning Greek Week and Intramural competition. We have a tremendous amount of social events with sororities coming up this Winter. However, the crowing moment of our chapter is fast approaching as we look to become chartered by the end of this year. However, the best part of Alpha Sigma Phi though, is that no matter the time or day of the week, there's always something fun going on or being planned at Alpha Sigma Phi.
